

# we LOVE SOLVING WORD PROBLEMS!

**L**

**LABELS!** Label models and visuals.

Label the numbers in the answer.

Example: 624 pieces of candy.

**O**

**OUR THINKING!** Write the

question into a complete sentence.

Explain your reasoning or explain your  
answer.

**V**

**VISUALS!** Include visuals or models

to support your answer or your

reasoning.

**e**

**eQUATIONS!** Include any and all

equations used to solve the problem.
