

Expanding Numbers

Partner Activity

Materials: Expanding Numbers Mat, playing cards (A-9s only); base ten blocks

1. Player 1 draws 3 cards and places the cards on the hundreds, tens, and ones chart in any order s/he wants.
2. Player 1 builds their number with base ten blocks.
3. Player 1 writes their number in expanded form.
4. Player 2 checks.
5. If it is correct, player 1 gets a point
6. Player 2's turn!
7. Keep going until time is called.

The player with the most points wins!

Exit Ticket:

You pull out a 3, 2, and 5.

What is the biggest number you can make? Write it and draw it below.

What is the smallest number you can make? Write it and draw it below.

Expanding Numbers Mat

Hundreds	Tens	Ones

_____ + _____ + _____ = _____

Player 1	Player 2
