

REACHING FOR RODS

2-4 players

Object: To be the first person to get 10 counters.

Materials: "Grab bag" consisting of one of each color rod.

Cuisenaire Rod Spinner

20 Two-colored counters (increase for more players)

Directions:

1. Player One spins the spinner and reaches in the bag (without looking) to try to find the matching rod.
2. If correct, player one gets a counter.
3. The rod goes back into the bag.
4. The remaining players repeat steps 1-3.
5. Play continues until someone has 10 counters.

Variation: Only put white through yellow in the bag to play (need digit cards)

Extend: Put multiples of each color in the bag.
